We herewith confirm that Ms. Karolina Zablocka has interpreted five 5-day trainings held within Twinning Light Poland – a project financed by the European Commission, organized by Danish and Polish tax authorities. The trainings concerned in particular the European regulations with regard to value added tax (VAT directive, ECJ rulings). Ms. Zablocka was responsible for delivering simultaneous interpretation between English and Polish in both directions.

During the project Ms. Zablocka proved herself to be an efficient, conscientious and dependable interpreter, capable of working under pressure, with highly developed interpersonal and communication skills, high attention to details and a serious attitude to the tasks she had been assigned with. We are very satisfied with the interpreting delivered and would like to confirm that it was done professionally.

Therefore we have no hesitation in recommending Ms. Zablocka as an English – Polish interpreter and would also like to confirm our readiness to use her interpretation services in the future.

Yours sincerely,
